

# CURRICULUM VITAE

**NAME:** VICTOR MUTHOKA SAIDI  
**NATIONALITY:** KENYAN  
**MOBILE:** +254 713 496 621  
**EMAIL:** [muthokavictor2000@gmail.com](mailto:muthokavictor2000@gmail.com)

## SUMMARY

I am an enthusiastic and dedicated Computer Science graduand with a passion for software backend development and a keen interest in cybersecurity. Proficient in Java, JavaScript, and Python programming languages, with a strong foundation in computer science principles. Eager to contribute my programming skills and problem-solving abilities to a dynamic development team, while actively seeking opportunities to further enhance my knowledge in both backend development and cybersecurity domains. Motivated to apply my current expertise in Java, JavaScript, and Python to contribute to innovative projects and solutions, with a long-term goal of becoming a versatile developer skilled in ensuring the security and integrity of software systems.

## WORK EXPERIENCE

### 2019-APRIL TO AUGUST AND 2020-MARCH TO NOVEMBER

Worked as a receptionist and marketing assistant at Jambo Medical Clinic, Mtwapa.

Overall, my dual role as a Receptionist and Marketing Assistant allowed me to seamlessly blend administrative efficiency with creative marketing strategies, ultimately contributing to the success and growth of Jambo Medical Clinic.

### 2022-SEPTEMBER TO DECEMBER

During my industrial attachment at Malindi Law Courts within the ICT Directorate, I played a pivotal role in supporting the ICT infrastructure of the Malindi Law Courts, encompassing a wide range of responsibilities aimed at optimizing operational efficiency and enhancing user experience.

My proactive approach, technical expertise, and dedication to service excellence positioned me as a valuable asset to the organization, leaving a lasting impact on its overall effectiveness and efficiency.

## **EDUCATION BACKGROUND**

### **2019 - 2023:**

Started my undergraduate degree studying a Bachelor's of science in Computer Science at Moi University main campus.

### **2015 - 2018:**

Started my A level education at The Ribe Boys High School and completed my it with a B+ mean grade during my national examination.

## **SKILLS**

Fast learner with the ability to quickly grasp new concepts and technologies.

Good interpersonal communication skills, enabling effective collaboration within teams.

Proficient in programming languages:

- ✓ Python: Data analysis and web development with Django.
- ✓ HTML: Building responsive web interfaces using HTML 5 and CSS3.
